Sponsored by Minnesota Urban Area Health Education Center (AHEC) and University of Minnesota Program in Health Disparities Research; Center for Health Equity; Medical School; Office of Minority Affairs & Diversity; Department of Orthopaedic Surgery; School of Dentistry; School of Public Health; Institute for Diversity, Equity & Advocacy (IDEA); Biomedical Health Informatics; Institute for Health Informatics; AHC Office of Education; School of Pharmacy; Minnesota Center for Cancer Collaborations; School of Nursing; and College of Veterinary Medicine

Founded by the University of Minnesota Medical School’s Program in Health Disparities Research in 2006, the Distinguished Visiting Scholar Series brings an acknowledged leader in health disparities research to the University to present lectures and meet in smaller groups with faculty, fellows, and students, and visit community organizations.

This series is supported in part by a grant from the National Institute on Minority Health and Health Disparities (1P60MD003422).
